WELCOME TO THE 2022 MAZDA2 HOMURA

Engineered and crafted with utmost care to the tiniest detail, the 2022 Mazda2 Homura makes an impression both visually and from a driver's perspective. Its sporty shape match the sophisticated handcrafted interior, while every feature is thoughtfully built around you, the driver. The impressive range of stunning exterior colours are all completed by the 16" Black Alloy Wheels, Black Shark-fin Antenna and Black Mirror Caps to display an overall striking look anywhere you drive it. Under the hood, our latest engine delivers improved fuel efficiency, while maintaining high performance levels.

COMFORT AWAITS

The 2022 Mazda2 Homura is designed so you should feel comfortable in any situation. The exquisitely crafted interior matches the exterior design touches with Black Fabric and red stitching, while features like the Keyless Entry, Power Door Lock or the Trip Computer, all contribute to a heightened state of relaxation and confidence.

CONFIDENT AND CONNECTED

A completely synchronised environment is ensured by the effortless control of the 7" colour touch-screen display and the intuitive HMI Commander. Moreover, synchronising your mobile phone, accessing internet radio or your favorite music via Android Auto or the Wireless Apple CarPlay, is now easier than ever through the Mazda Connect infotainment system. New-generation safety features such as Hill Launch Assist, Rear View Camera, Cruise Control or the Dynamic Stability Control with Traction Control System are all designed to boost your confidence anywhere you drive.
